

24/7 ENVIRONMENTS DEMAND EXACTING CONSOLE DESIGN  
FOR INTENSE PEOPLE-TECHNOLOGY INTERACTION

## MISSION CRITICAL CONSOLES

- **Market-Specific Designs** for Public Safety, Process Control, Command Center, NOC, Technical Furniture, Testing and Repair Stations
- **Engineered** to meet functional and operator requirements specific to your environment
- **Ergonomically Designed** to maximize operator comfort and minimize fatigue
- **Experienced Technical Furniture Designers**, space planners and project managers to help create the perfect solutions
- **Custom Design Services** available to fit technical, space-planning, and aesthetic specifications of each unique environment
- **Modularity Lowers Cost** associated with future expansion and re-configuration
- **Easy Access** to technology and high-density cable management
- **ANSI/HFES 100-2007** compliant
- **Video Wall** construction and integration to create seamless interaction

iTrac console featuring integrated CPU storage and slatwall for flat panel arrays and work-in-process accessories

Contour Basic

Metrics

## COMMAND CENTER; NOC

### Contour Basic & Metrics

- Robust, modular construction with integrated CPU storage and aesthetic appeal

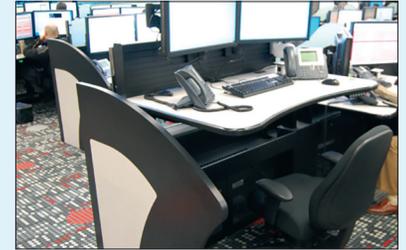

## PUBLIC SAFETY - 24/7

### Contour Advanced Dual Lift Sit-Stand & Metrics Sit-Stand

- Meets stringent functional and human interface requirements in a demanding, dynamic 24/7 environment with multiple operators at a single console and integrated CPU storage

Contour Advanced Dual Lift Sit-Stand

Metrics Advanced Sit-Stand

Benchmark

iTrac

## PROCESS CONTROL

### Benchmark & iTrac

- Designed to meet rigorous demands of process automation, improve productivity and monitor performance and safety protocols

## TECHNICAL WORKSTATIONS

### Netcom SL

- Flexible workstation system for technology and lab environments

Netcom SL

Custom Millwork

## CUSTOM MILLWORK

Conference tables, cabinet storage, and video walls designed to specific requirements to ensure a consistent appearance in your mission-critical facility

### Main Facility

100 Progress Parkway  
Conklin, NY 13748  
800-432-1337
